Rank 1 is the top. Write players in, then update as they climb.

CHAMPION

- A player may challenge someone one or two spots above them. Winner takes the higher rank; loser drops to the winner's old spot.
- Challenges must be accepted within the agreed window (e.g. 3 days).
- No re-challenging the same player until you play someone else.
- Ladder runs for a set period; the Rank 1 player at the end wins.
