West	San Bernardino, CA	Aug 9 - 14

Southeast and Southwest open the regional slate on August 6.

HOW THE REGIONALS WORK

Each US region runs a double-elimination bracket among its state and district champions. The ten regional champions advance to the Little League Baseball World Series in Williamsport, Pennsylvania, joining the international qualifiers. Team fields are set as state tournaments finish in late July and early August - print this grid now and follow each region's bracket as the matchups are confirmed.
