Belgium						
Puerto Rico						
Turkiye						

Group D						UBER ARENA
TEAM	W	L	PF	PA	RANK	
United States ★						
China						
Italy						
Czechia						

How it works: Each team plays 3 group games. The **winner of each group** advances straight to the Quarterfinals. The **2nd & 3rd-place teams** drop into a single-game Qualification round (A ↔ B and C ↔ D crossovers) to fill the last four Quarterfinal spots. ★ **United States (Group D)** chase a 5th straight title, with Caitlin Clark making her World Cup debut.
