On bye: No byes this week - all 32 teams play (Thanksgiving week).

Tiebreaker: total combined points in the Monday night game, Carolina Panthers at Tampa Bay Buccaneers (Mon Nov 30). _____

How to score: circle the team you think covers the spread in each game, then total your correct picks. Spread picks win if your team covers; for a simpler office pool, ignore the spread and just pick the winner. Lock entries before the Thursday night kickoff.

Odds are an aggregate of major sportsbooks and reflect the current number. The home team is listed second. Lines lock once each game kicks off. Must be 21 or older. If you or someone you know has a gambling problem, call 1-800-GAMBLER.
